Online MBA

Developed and Collated Best Practices

- Shivaji University has prioritized the delivery of high-quality educational content to its Online MBA students through various innovative methods. The university has developed comprehensive E-Content, ensuring that students have access to a rich array of learning materials. This includes recorded sessions that allow students to revisit complex concepts at their convenience, along with Synchronous Sessions that offer real-time interaction with faculty members.
- The provision of e-SLM in printable format for all subjects ensures that students can easily access and review course materials as needed. Recorded live sessions of each courses are proving on LMS.
- The university has developed 100% of its E-Content by in-house faculties for the first year, ensuring a high standard of quality and relevance.
- Furthermore, Shivaji University demonstrates its commitment to inclusivity by offering a 10% concession on tuition fees to women, disabled, transgender, graduates from Shivaji University, employees and ex-employees of the university, as well as their wards and those of affiliated colleges. The special provisions are made for sport personal and Kolhapur Districts Urban Co-operative bank employee. Also, special concession is given to the border area students. These practices are designed to make higher education more accessible and supportive of diverse student needs.
- Various days are celebrated through online mode by inviting experts and Alumni of CDOE.
- One of the key offerings of this programme is the option for Dual Specialization, allowing students to tailor their education to meet their specific career goals.
- FAQs are prepared having utmost care and covering all the possible questions that reduce doubts, cynics, problems or any doubts emerged before students. In other words, FAQ works as efficient self- guided material.
- Shivaji University has set a remarkable precedent by becoming the First State University to offer an online MBA programme.
