Centre for Distance and Online Education

Best Practices of the HEI

1. Shivaji University has set a remarkable precedent by becoming the **First State University in Maharashtra** to offer an online MBA programme.
2. Shivaji University has prioritized the delivery of high-quality educational content to its Online MBA students through various innovative methods. The university has developed comprehensive **E-Content**, ensuring that students have access to a rich array of learning materials. This includes recorded sessions that allow students to revisit complex concepts at their convenience, along with **Synchronous Sessions** that offer real-time interaction with faculty members.
3. The provision of **E-Content in printable format** for all subjects ensures that students can easily access and review course materials as needed.
4. The university has developed **100% of its E-Content by in-house faculties** for the first year, ensuring a high standard of quality and relevance.
5. Furthermore, Shivaji University demonstrates its commitment to inclusivity by offering a **10% concession on tuition fees** to women, graduates from Shivaji University, disabled individuals, transgender individuals, employees and ex-employees of the university, as well as their wards and those of affiliated colleges. These practices are designed to make higher education more accessible and supportive of diverse student needs.
6. One of the key offerings of this programme is the option for **Dual Specialization**, allowing students to tailor their education to meet their specific career goals.
